Control measure - Have mutual aid or memoranda of understanding arrangements in place 3

Control measure - Have mutual aid or memoranda of understanding arrangements in place

TRAINING SPECIFICATION

Knowledge and understanding

Control measure element

Consider the use of mutual aid during wildfire incidents

Learning outcome

Understand:

- The pre-arrangements that are in place to provide support at wildfire incidents from other fire and rescue services and stakeholders
- The resources that can be obtained using the pre-arranged agreements for use at wildfire incidents
- The methods to be used to use the mutual aid arrangements during wildfire incidents

Practical application

There is no Practical application
