## Control measure - Operational risk information plan

### TRAINING SPECIFICATION

#### Knowledge and understanding

##### Control measure element

##### Learning outcome

Operational risk information plan

Understand:

- How to use an environmental risk assessment within operational risk plans
- The actions necessary when a risk to the environment has been identified

Refer to Incident command training specification –  
Situational awareness

#### Practical application

##### Control measure element

##### Learning outcome

Operational risk information plan

Demonstrate the ability to:

- Identify pollution prevention information from site specific plans
- Implement environmental protection measures identified in operational risk plans
- Monitor and minimise the impact of fire service tactics on the identified environmental risk
- Assess and monitor the effectiveness of fixed installations and pollution prevention measures
